

SUMMER AT THE ROSE & CROWN

Summer is the season when our green & pleasant land supplies the most wonderful ingredients: soft fruits with matchless flavour; all sorts of greenery from beans to fresh, peppery leaves; tomatoes that taste and smell of tomato. The Cornish day boats we use bring in sparkling sardines and mackerel. Native lobster are also in season. All our beef, pork, lamb and chicken are free-range and the best British quality. We serve the good stuff, because it's what makes life worth living.
